

What Tuberculosis Costs.
It has been estimated that deaths from tuberculosis cost the nation half a million dollars annually through the loss of wages and the value of the things workers would produce if they were not suffering from the disease. To conquer this enemy of the human race more than \$20,000,000 a year is expended. That the good work is progressing is shown by the fact that in 20 years the death rate from tuberculosis has been reduced from 245.4 to 158 per 100,000 population.

Skim Cream on Bottles.
A novel method of skimming all the cream from milk contained in a bottle or like vessel is to use a large round disk of rubber which takes a slightly concave shape, it being hung upon three light aluminum rods or wires. Slipping the disk in edgewise and below the surface, it then takes the flat position and can be drawn out with all the cream.

Mushroom Farm.
A mushroom farm in California consists of 600 square feet, the beds being in tiers in a basement. Although mushroom growing in the United States has assumed considerable proportions, the imports continue to be large.

Here, Too.
The philosopher of the Cincinnati Enquirer says: "When you have said enough, stop talking." But did you ever see anyone who thought he had said enough? Neither did we.—Memphis Commercial Appeal.

Vindictive Animals.
The camel, like the elephant, has a good memory for injuries done to it, and often takes revenge on its assailant in an unexpected fashion.

My Doctor Said

"Try Cardui," writes Mrs. Z. V. Spell, of Hayne, N. C. "I was in a very low state of health, and was not able to be up and tend to my duties. I did try Cardui, and soon began to feel better. I got able to be up and help do my housework. I continued to take the medicine, and now I am able to do my housework and to care for my children, and I feel as though I could never praise Cardui enough for the benefits I have received."

TAKE The CARDUI Woman's Tonic

Cardui is successful, because it is made especially for women, and acts specifically on the womanly constitution. Cardui does one thing, and does it well. That explains the great success which it has had, during the past 50 years, in helping thousands of weak and ailing women back to health and happiness.

If you are a woman, feel tired, dull, and are nervous, cross and irritable, it's because you need a tonic. Why not try Cardui? Cardui builds, strengthens, restores, and acts in every way as a special, tonic remedy for women. Test it for yourself. Your druggist sells Cardui. Ask him.
